**OKUTI**

**Moremi**

Situated by a river in the heart of the famous Moremi Game Reserve, Okuti offers exciting birdwatching and great gameviewing by vehicle and motorboat year-round. Accommodation is in 7 striking “mosasa” (meaning “house of reeds”), including 2 two-bedroom units designed for families. Built to feel like a traditional African village, this captivating camp features a central dining area with a welcoming firepit and pool.

**KANANA**

**Okavango**

In the southwest Okavango, on dry plains which transform into a necklace of islands during the annual floods, splendid Kanana offers both land and water experiences. Guests at this camp can enjoy game drives, walks, motorboat and mokoro cruises as well as a night on the unique Sleep Out Deck. There are 8 ensuite guest tents linked via teak walkways to a comfortable central dining area and pool.

**SHINDE**

**Okavango**

Intimate Shinde nestles on a lush palm-studded island in a private concession in the northern Okavango Delta. Permanent waters allow gameviewing by motorboat and mokoro throughout the year, along with game drives, walks and fishing. Shinde offers 8 classic safari-style tents with ensuite bathrooms and viewing decks. The central dining and lounge area are also under canvas, and there is a small pool.

**DINAKA**

**Kalahari Game Reserve**

Occupying an exclusive piece of land in the Central Kalahari Game Reserve, Dinaka is home to species including the black-maned Kalahari lion, Oryx and brown hyena. The lodge features 7 spacious tents (including a 2-bedroom tent) with ensuite bathrooms and outdoor showers. Activities include day and night game drives, guided walks and a spectacular sleep out deck offering guests a chance to sleep under the stars.

**FOOTSTEPS CAMP**

**Okavango**

This very special camp occupies a remote corner of the delta, providing an ideal base for walking and/or private family safaris. There are just 3 rustic twin-bedded walk-in tents, containing ensuite hot water bucket showers and flush toilets. From this wonderful base, discover the untamed African bush with a passionate guide on foot, by mokoro (local dugout canoe) or on game drives.
