Two of the most famous are Mombo and Little Mombo, both set in a secluded section of the Moremi Game Reserve. Stunning Duma Tau Camp has a unique location in the Linyanti Reserve.

These pristine wildernesses are renowned for some of the best gameviewing in southern Africa. Other Premier properties include beautiful Jao Camp, stylish Vumbura Plains and newly-rebuilt Kings Pool, offering the highest standard of luxury accommodation and now running on 100% solar power.

Please note that we can tailor an itinerary for you to include one or more of these Premier Camps combined with any other Wilderness Safaris Classic Camps featured on pages 51-53.

Hot Tip! As demand for these exclusive Premier Camps is very, very high, we strongly suggest you book your stay as early as possible. Mombo and Little Mombo in particular are so popular that the peak season of Jun-Oct is solidly booked up to 18 months in advance. If you are not planning to travel until 2021 or beyond, and want to stay at either camp during this time, we suggest you pay a deposit to ensure that you secure your place.
