

Emperor Penguin Encounter © One Ocean

WEDDELL SEA & ANTARCTIC PENINSULA

11 or 16 days

Departs ex Ushuaia, Argentina (unless otherwise noted)

Journey to the wildlife-rich and remote eastern side of the Antarctic Peninsula known as the Weddell Sea; a nature lover's and photographer's paradise. Observe huge glaciers, tabular icebergs and abundant wildlife including vast penguin colonies, whales and seals. Powerful ocean currents, unpredictable weather and a land and icescape more akin to East Antarctica make for an adventurous voyage. Emperor Penguins can be seen on Snow Hill Island mid November to mid December only.
